

Conference on Polish Migration in Belgium and in the Netherlands

24-05-2013

On 24th of May, Iwona Gusc participated in an interdisciplinary conference at the University of Wrocław (Poland). She was invited to join the expert panel on 'Polish Migration in Belgium and the Netherlands.'

In her paper Iwona Gusc elaborated on the memory culture of Polish war veterans in the Netherlands. She analysed various conflicting perceptions of the past that has shaped Polish presence in the commemorative landscape of WW2, during the first few decades after the liberation.
