

War, Conflict and Genocide Studies is an English-language series with peer-reviewed scholarly work on the impact of war, mass violence, and genocide on twentieth-century and contemporary societies, covering a broad range of historical approaches in a global context, and from diverse disciplinary perspectives. Proposals are welcome for monographs and edited volumes blending analysis and empirical research on: Colonial and postcolonial mass violence; Occupation regimes and societies; The Holocaust at the local level; Genocidal ideologies and propaganda; Perpetrators/perpetration; Survivor strategies and coping mechanisms; War crimes and genocide trials; Mass violence and displacement.

PUBLISHING YOUR BOOK AT AUP:

- More than twenty years of experience in providing readers with high-quality scholarly publications.

How to order our books

Our books and journals are available worldwide from www.aup.nl and from your local bookseller/institution.

"Some of the facts concerning the hunt for Nazis in South America are familiar. But Daniel Stahl's great achievement is to put this process in the context of attempts to come to terms with and cover up the past, human rights activists and interpreters of the Holocaust, and the politics of national and international interests. A milestone in the treatment of this topic." - Deutschlandfunk Radio
